Musical Information

Set

- For one of our main set pieces I want to use two of the triangular platforms and build three flats on it making a kind of obelisk.

- This will be used for Regina's bedroom, classroom, and Cady's house and can be rotated to represent different scenes.
- We will need a bed for Regina's room and Cady's room.
- I plan on asking about using two of the lunch room tables for our lunch room scene which will take place just on the floor of the gym in front of the stage.
- We will use spare rolling desks for the classroom scenes.

Musical Calendar

- I still plan on set building being during the last two weeks of September, the dates will be made known when I get my stuff together.
